Verse 2:
And it's been a while since I could say that I wasn't addicted.
And it's been a while since I could say I loved myself as well.
And it's been a while since I've gone and f***ed thing up just like I always do.
And it's been a while, but all that sh** seems to disappear when I'm with you.
(To Chorus:)

Verse 3:
And it's been a while since I could look at myself straight.
And it's been a while since I said I'm sorry.
And it's been a while since I've seen the way the candles light your face.
And it's been a while, but I can still remember just the way you taste.

Last Chorus:
And everything I can't remember,
As f***ed up as it all may seem to be, I know it's me.
I cannot blame this on my father.
He did the best he could for me.
